***Aura Readings***

- Carolyn Miller is the owner of The Third Eye in Provincetown, MA. She has been practicing Aura readings since 1983. Aura photos are like fingerprints; no two are the same. Each color has its own meaning and each shade adds to the interpretation. The color on the right side of the photo speaks of the recent past. The color on the left side tells of the near future. The color above the head show what you value and find significant. It is not uncommon for spirits to appear in a photo; the aura is truly amazing! An Aura Session with Carolyn includes your photo and a personal interpretation of your aura. 15 minute reading with aura photo for \$25.

***Psychic Readings***

- Patti Sheets has been reading Tarot for over 20 years and studying Astrology for the last 8 years. She is part owner of Psychic Entertainment, which provides psychic readers for corporate events. She has taught workshops on psychic development and treasure mapping throughout New England. Patti will offer 15-minute psychic readings for \$25. The readings will run the gamut from Tarot to Astrology, and Palmistry.
